

LYNN MOFFATT

Lynn Moffatt was born and raised in a small town in Northern Ontario, where her passion for creating music was inspired by the clean country melodies of her idols Patsy Cline and Shania Twain. In late 2015, after spending a few years developing her own style as a performing musician in Toronto, Lynn formed her own band - The Lynn Moffatt Band. Lynn has since embarked on a music tour across United States, and released three singles: "Again"; "Dark Room"; and "Check It Out". Lynn's music is groovy, bluesy, country rock mix, filled with soul and raw emotion. Her debut EP will be available for streaming worldwide March 24, 2018.
